Some quick facts on updating your Whereabouts

- You may be able to update your whereabouts details simply by sending an SMS to your relevant ADO or using the WADA mobile App.
- There may be consequences if you are not present without a valid reason. If you cannot be located for testing, you have the opportunity to explain why.
- You can choose to have your agent or other representative submit your whereabouts for you, but keep in mind you are still responsible for that information.
- If you are part of a team, your whereabouts information may be submitted by a coach or team official as part of your team’s collective filing.

WADA’s Anti-Doping Administration and Management System (ADAMS), is an online tool that athletes can access anytime and anywhere to update their whereabouts information, including by SMS. ADAMS is available in English, French, Spanish, Arabic, Dutch, Finnish, German, Italian, Japanese, and Russian.

ADAMS is free, easy to use, and its multi-level access control ensures the privacy and security of your information. Ask your relevant anti-doping organization if ADAMS is something they use or plan to use in the future.
